NOTES:

- 1 The financial results of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. The Company adopted IND AS from April 1, 2017, and accordingly, these financial results (including corresponding quarter and year ended March 31, 2017) have been prepared in accordance with the recognition and measurement principles in IND AS 34 - Interim Financial Reporting, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- 2 The audited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 23, 2018.
- 3 The figures for the three months ended on March 31, 2018 and corresponding three months ended on March 31, 2017 are the balancing figures between the audited figures in respect of the full financial year and the year to date figures upto the third quarter of the respective financial years.
- 4 The Company is engaged in construction activities. The margins in the quarterly results vary based on the nature, type and quantum of project work executed during the quarter. Due to this reason, quarterly results may vary in different quarters and may not be indicative of annual results.
- 5 The Government of India introduced the Goods and Service Tax (GST) with effect from July 1, 2017. GST is collected on behalf of the Government and no economic benefit flows to the entity and hence Gross Revenue under GST regime is presented excluding GST as per IND AS 18 – Revenue. However, Gross Revenue under pre-GST regime included Excise Duty which is now subsumed in GST. Consequently, the figures for the quarter and year ended March 31, 2018 are not comparable with the previous periods presented in the results.
- 6 Reconciliation of the equity as reported in Indian GAAP to Ind AS is summarised as follows:

(₹ in Lakhs)

Particulars	Year ended 31-03-2017
Total equity reported as per Indian GAAP	39960.72

Gain/(loss) on fair value of equity instruments	222.64

8 (i) Exemptions applied at transition

Ind AS 101 (First-time Adoption of Indian Accounting Standards) provides a suitable starting point for accounting in accordance with Ind AS and is required to be mandatorily followed by first-time adopters. Ind AS 101 allows first-time adopters exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions in its financial results:

a. Property, Plant and Equipment were carried in the statement of financial position prepared under previous Indian GAAP as at March 31, 2016. The Company has elected to regard such carrying amount as deemed cost at the date of transition i.e. April 1, 2016.

b. The Company has recognised loss allowance on trade receivables and project work in progress at the date of transition and at each reporting date thereafter based on lifetime expected credit losses.

(ii) Under previous GAAP, actuarial gains and losses related to the defined benefit schemes for gratuity and pension plans and liabilities towards employee leave encashment were recognized in profit or loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit liability/asset which is recognized in OCI. Consequently, the tax effect of the same has also been recognized in OCI instead of profit or loss.

(iii) Under previous Indian GAAP, non current Investments were stated at cost. Under Ind AS, financial assets in equity instruments have been classified as Fair Value through Other Comprehensive Income (FVTOCI) through an irrevocable election at the date of transition.

9 In respect of certain 'Works Contracts' executed in earlier years in the State of Rajasthan, the Company had paid sales tax using Exemption Fee (Composition) Scheme under Rajasthan Sales Tax Law on such 'Works Contracts' based on certain rules notified under the Sales Tax Act then prevailing. The Sales Tax Department had since challenged the Company's position and claimed that such 'Works Contracts' be treated as a divisible contract and be subjected to tax component-wise and had accordingly raised a demand, which was challenged by the Company. The Company had also filed a Special Leave Petition with the Hon'ble Supreme Court, against the common final judgment Order dated February 13, 2015 passed by the Hon'ble High Court of Rajasthan. Subsequently the Hon'ble Supreme Court rejected the appeal filed by the Company by Order dated August 28, 2017. The Company, based on legal advise, has filed an application seeking recall of the said order. Pending outcome of the 'recall application', on a prudent basis, the Company has made a provision of ₹ 3033 lakhs against sales tax demand (including interest thereon of ₹ 2132 lakhs) under the item 2(j) in the results of the year ended March 31, 2018. For admission of recall petition, hearing in Hon'ble Supreme Court of India is expected shortly.

10 The Board of Directors at their meeting held on May 23, 2018 have recommended a dividend of ₹ 3.40 (170%) per equity share of face value of ₹ 2/- each for the financial year ended March 31, 2018, subject to approval of the shareholders in the ensuing Annual General Meeting of the Company.

The major stream of revenue for the Company comes from execution of Drinking Water Projects. Pre-GST such contracts executed for Government were exempt from Service Tax, Excise Duty was exempt on Pipes and other material used in execution of these contracts and Works Contract Tax/VAT of approximately 5% was applicable in most of the cases. On rollout of GST, these contracts were placed initially in 18% slab and w.e.f. 22nd August, 2017 in 12% slab. Customer base of the Company is various State Governments and contracts were entered Pre-GST. The Company has represented to all its clients for carrying out necessary amendments to the contract and compensate the additional tax liability and is hopeful of getting resolutions on these issues during the year.

Lack of clarity and transitional challenges the Company faced while moving from VAT regime to GST regime affected operations of the Company on account of delayed receipt of materials and bought out items from suppliers, delayed billing to the client and collection thereof which resulted in slowing down of operations particularly in 2nd quarter.

-2-

As such, inspite of having sufficient orders on hand there is a decline in revenue by 14.40% compared to the corresponding previous year. The Company on prudent basis has made necessary adjustments to applicable projects in respect of its order value, cost etc. to account GST impact.

The Company feels that there will be more clarity in this matter in the next few months.

In respect of certain works contract executed in earlier years in the state of Rajasthan, Hon'ble Supreme Court vide its order dated August 28, 2017 rejected the appeal filed by the Company. The Company based on legal advice has filed an application seeking recall of the said order, pending outcome of the recall application, on a prudent basis the Company has made a provision of ₹3,033/- Lakhs against Sales Tax demand (including interest thereof ₹2,132/- Lakhs) in the results of the year ended 31st March, 2018.

Order Book

The estimated balance value of the work as at May 15, 2018 is ₹3,20,563.43 Lakhs as against ₹2,65,591.31 Lakhs as at May 15, 2018.

With a strong order book the Company is hopeful of achieving reasonable growth during ensuing financial year.
